

County of Chautauqua Industrial Development Agency Metal Manufacturers Listing

	Company Name	Address	City	State	Zip	Phone	Fax	President/Owner	Email	Web Site	Marketing/Sales Contact	Email	Description of Business	Process Description	Process Capability	Manufacturing Floor Space	Manufacturing Capacity	Material Handling Equipment	Certifications	Raw Materials Used in Process
1	All Metal Specialties, Inc.	300 Livingston Ave.	Jamestown	NY	14701	(716) 664-6009		Raymond Anderson, Sr., President	Ray@allmetalspecialties.com	www.allmetalspecialties.com	Bill Lehman, Manager	bill@allmetalspecialties.com	Custom sheet metal/aluminum fabrication	To customer's specifications		16,000 sq. ft.	400 ton 14' press break, CNC milling, welding, CNC turret punch, polishing	Fork lift, unloading dock and flat drive in		Stainless, aluminum, brass, bronze, steel
2	Anderson Precision, Inc.	20 Livingston Ave.	Jamestown	NY	14701	(716) 484-1148	(716) 484-7779	Steven Godfrey, President/Owner	sgodfrey@andersonprecision.com	www.andersonprecision.com	David Archer, VP Sales/Owner	darcher@andersonprecision.com	Precision turned metal products & push in cartridge assemblies	Quote - feasibility assessment - PPAP - production	Multispindle turning, CNC turning, centerless grinding	70,000 sq. Ft.		.125" round to 2.625", ferrous and non ferrous metals	ISO 9001:2000 TS 16949	Brass, aluminum, copper, steel, stainless steel
3	Bailey Manufacturing Company, LLC	10987 Bennett State Rd., P.O. Box 365	Foresville	NY	14062	(716) 965-2731	(716) 965-2764	John W. Hines, President/CEO	bailey03@netsync.net	www.baileymfgcollc.com	John W. Hines, President/CEO	bailey03@netsync.net	Supplier primarily, but not limited to, automotive industry	Stamping presses 35-200 ton, resistance & robotic welders, zinc plating	Metal stamping, fabrications, welding, deburring, plating, assemblies	40,000 sq. ft.		Fork trucks, pallet jacks, overhead cranes	ISO/TS 16949, member of the USNYRMPICI (minority business)	Steel (various types), aluminum
4	Barton Tool, Inc.	1864 Lyndon Park	Falconer	NY	14733	(716) 665-2801		Jo Ann Barton, President	l Barton@bartontool.com	www.bartontool.com	Christopher Tompkins, Chief Engineer	tompkins@bartontool.com	Design & build dies and molds, custom plastic injection molding	Engineer and build dies & molds, and production of plastic molded parts	24" x 48" machining/grinding	18,000 sq. ft.	Eng. dept., tool & die dept, (9) mold presses 35 ton to 400 ton	Fork trucks, overhead cranes	ISO9001:2000, WBE NYS #12222-1997	All types of steel, plastic resin
5	Blackstone Fabricating, Division of Blackstone Business Enterprises, Inc.												Custom manufacture of sheet metal and light structural fabrications	Process engineering, laser/punch, form, weld, paint/powdercoat, pack	Sheet metal from .040" to 3/8" thick plus light structural	275,000 sq. ft.	5 Lasers (sheet sizes 6 ft by 12 ft): 1 CNC turret punch press - shear - 4 CNC brakes - 9 hydraulic and mechanical brakes - robotic welding, automated seam welding, MIG and TIG welding - grinding/polishing - painting and powdercoating - assembly and packaging	Fork trucks, overhead cranes and hand trucks	ISO 9001:2008 General Dynamics/electric boat source inspection	Stainless steel, aluminum, steel - occasionally specialty metals
6	Blackstone-Ney Ultrasonics	100 Blackstone Avenue	Jamestown	NY	14701	(716) 665-5410	(716) 665-5152	Michael D. Metzger, President	mmetzger@bbei.com	www.bbei.com	David Reichard, Sales Manager	dreich@bbei.com	Custom cleaning equipment & ultrasonic devices	Fabrication & assembly		15,000 sq. ft.				Electrical, mechanical, automation, sheet metal
7	CMFS/Miraclean	P.O. Box 100	Ashville	NY	14710	(716) 763-4114		Tom Pembbridge, President	tpembbridge@cmfs.com	www.miraclean.com www.cmfs.com www.classic-brass.com www.brussart.com	Tom Pembbridge, President	tpembbridge@cmfs.com	Distribution of industrial chemicals/manufacturing of cleaning equipment	Polishing/buffing/finishing		24,000 sq. ft.		Tow Motors	NACD RDP	
8	Classic Brass, Inc.	2051 Stoneman Circle	Lakewood	NY	14750	(716) 763-1400		J. Christopher Creighton, President	chris@classic-brass.com		Andrea Desnerck, Director of Sales	andrea@classic-brass.com	Manufacturer of solid brass door hardware & cabinet hardware	Machine components & assemble engines	Assemble engines up to 3000 lbs, largest component, block, weighs raw 600 lbs.	26,500 sq. ft.		Forklift		Solid brass rod/ rectangular bar stock
9	Cummins, Inc. Jamestown Engine Plant												Heavy duty diesel engine manufacturer	Machine components & assemble engines	Assemble engines up to 3000 lbs, largest component, block, weighs raw 600 lbs.	One million square feet	In total, 530 engines/per day and service components	Electric fork lifts and tuggers and overhead hoists and cranes, ranging from 50 lbs to 10 tons	ISO/TS 16949, ISO/14001, American Bureau of Shipping - Certificate of Manufacturing Assessment, Bureau Veritas - Approval of Workshops, Del Norske Veritas - Manufacturing Survey Arrangement, Lloyd's Register - Quality Scheme Certificate	Cast iron, aluminum and cold roll steel for machined components
9		4720 Baker Street Ext.	Lakewood	NY	14750	(716) 456-2241	(716) 456-2541	David Porter, Plant Manager	david.b.porter@cummins.com	www.cummins.com	Lori Thompson	lori.thompson@cummins.com								
10	Dahlstrom Roll Form	402 Chandler Street, Suite II	Jamestown	NY	14701	(716) 664-2555		Robert White, President	rwhite@dahlstromrollform.com	www.dahlstromrollform.com	Karen Sanders, Sales Manager	ksanders@dahlstromrollform.com	Custom metal roll forming solutions	Continuous process roll forming	0.015" to 0.220" thickness, CNC in-line punching, all metal types to 65 ft. long	70,000 sq. ft.	14 roll mills, 1500+ standard shape tools, complex punching, more	Fork lift, high capacity crane system	ISO 9001:2000, UT Q+ Level II	Steel, stainless steel, copper, bronze, aluminum, pre-painted steels
11	Dawson Metal Co., Inc.	825 Allen St., P.O. Box 0278	Jamestown	NY	14701	(716) 664-3815	(716) 664-3485	David Dawson, CEO	ddawson@dawsonmetal.com	www.dawsonmetal.com	Adam Irgang	airgang@dawsonmetal.com	Specially sheet metal fabricator	Engineer to customer specs, fabrication of sheet metal components	Sheet metal components max 60 x 144, 1200 max weight of assy	100,000 sq. ft.	See equipment list on see web site		ISO9001:2008	Carbon steel, stainless steel, aluminum, brass, bronze, copper, other
12	Diversified Components, Inc.	1287 Hunt Road, P.O. Box 376	Ashville	NY	14710	(716) 763-3752							Custom Machining	Custom production of parts to customer specification	1.25" dia. X 12' barstock, 14" x 28" cap on VMC equipped with CHICK PLATE fixturing	11,000 sq. ft.	2-10 axis turning centers, 1.25" cap., broaching, 3 centerless grinder, 4 axis HAAS VMC, 12 B & S screw machines 1.62" capacity	5 Ton fork lift, loading dock, 14' wide overhead door, 2 ton 74" racks	ISO 9001:2000	Steel, brass, aluminum, barstock, plastic
13	Dunkirk Metal Products, Inc.	795 Deer St., P.O. Box 281	Dunkirk	NY	14048	(716) 366-2555		David Penharlow, President	dpenharlow@dunkirkmetalproducts.com	www.dunkirkmetalproducts.com www.alternativefuelboilers.com www.foldawaystorage.com	Eric Fransen, Business Dev Mgr.	efransen@dunkirkmetalproducts.com	Manufacturer of wood boilers: fabrication, stamping, assembly, warehousing	Full project fabricating capabilities, engineering, design, fabrication /stamping/valve added processes	Full range fabrication/ stamping/assembly/warehousing all metals	40,000 sq. ft.	Turret press; punch press; welding; bending; cutting; laser; powder coat	Forklifts, overhead cranes, electric trucks, pallet handlers	ISO 9001:2000; ASME, WHI, CSA, UL	All metals and plastics
14	Ellison Bronze, Inc.												Custom, commercial entrances in bronze, stainless steel & aluminum	Bronze foundry, machining, engineering and cad drafting, sheet metal processing, fabrication & finishing	Sand, shell and permanent mold bronze foundry, manual and CNC machining, autocad drafting, full press room and sheet metal processing, custom door and case making, mig, tig and spot welding, sanding, polishing, lacquering and assembly	60,000 sq. ft.	Cranes (2 ton limit), forklifts	ISO9001	Bronze ingot, bronze, stainless steel, aluminum bar, rod, sheet and extrusions	
14		125 West Main St.	Falconer	NY	14733	(716) 665-6522	(716) 665-5552	Peter Stark	pstark@ellisonbronze.com	www.ellisonbronze.com	Mark Graves, Vice President	mgrav@ellisonbronze.com								
15	Excelco Developments, Inc.	65 Main St., P.O. Box 230	Silver Creek	NY	14136	(716) 934-2651	(716) 934-2646	Christopher J. Lanski, President	chris.lanski@excelco.net	www.excelco.net	Paul Rozewicz, Estimator	paul.rozewicz@excelco.net	Manufacturing	Build to print	Welding, machining, non-destructive testing	20,000 sq. ft.		up to 30 ton crane	ISO 9001, 2000 Standard	Titanium, stainless steel, carbon, inconel
16	Hope's Windows, Inc.												Manufacturing of custom steel and bronze windows and doors	Manufacturing	Custom manufacturing	200,000 sq. ft.	1-Laser machine, 1-turret press, press brakes, punch presses, chop saws, milling machines, painting facility	Fork lifts, cranes, hoists, sheet steel movers	ASTM, AWS Standards and Procedures	Cold rolled steel, hot rolled steel, brass, aluminum, stainless steel
16		84 Hopkins Ave.	Jamestown	NY	14701	(716) 665-5124		Frank A. Farrell, Jr., CEO		www.hopeswindows.com	Brian Whalen, Vice Pres./Sales	bwhalen@hopeswindows.com								
17	International Ordnance Tech., Inc.	101 Harrison Street	Jamestown	NY	14701	(716) 664-1100		Tammy H. Snyder, President	tsnyder@iotusa.net	www.iotusa.net	Tammy Snyder	tsnyder@iotusa.net	Metal Manufacturing	Metal Stamping (Progressive or Blank) 20-150 ton presses	Heat-treating (austempering), Phosphating, assembly, welding, (tig, mig, sonic and micro)	35,000 sq. ft.		Fork truck, small hoist and overhead hoist available	EDZ	Carbon steel, coil stock
18	Jamestown Advanced Products Corp.	2855 Girls Road	Jamestown	NY	14701	(800) 452-0639 or (716) 483-3406		Wendi A. Lodestro, President	wlodestro@jamestownadvanced.com	www.jamestownadvanced.com	Lee Lodestro, Vice President	llodestro@jamestownadvanced.com	Metal manufacturing with powder coating capabilities	Punching, bending, Mig/Tig welding, tube bending, powder coating		175,000 sq. ft.			Woman owned & operated small business - NYS Empire Development	Carbon, stainless and aluminum steel, tube, pipe, rod
19	Jamestown Electro Plating	105 Water Street	Jamestown	NY	14701	(716) 664-5406	(716) 664-4309	John R. Churchill, President	jchurchill@jamestownelectroplate.com	www.jamestownelectroplate.com	Tim Black, Sales Manager	tblack@jamestownelectroplate.com	Electroplating, ecoating, polishing, metal finishing	Plating, Job shop - zinc, silver, copper, nickel, chrome, tin, cadmium, ecoat	Varies with process	45,000 sq. ft.	Plating, baking, packaging	Fork lift, pallet trucks	ISO9001, ISO14001, Nadcap accredited	Plating metals and chemicals
20	Jamestown Fabricated Steel, Inc.	1034 Allen St.	Jamestown	NY	14701	(716) 665-2227	(716) 665-5361	Ronald White, President			Lee Luce, Vice President		Structural/light iron fabrication	Warehouse/fabrication of hot roll shapes	Complete line of H.R. shapes and sizes	10,000 sq. ft. mfg, 8,000 sq. ft. warehouse	Shear, brake, rolls, saws, ironworker and welding machines	5 ton OH crane, 1 1/2 ton OH crane, 3 ton yard forklift, delivery trucks	AWS - welding	Hot rolled steel shapes
21	Jamestown Furniture Hardware	137 Water St.	Jamestown	NY	14701	(716) 664-4321	(716) 664-5208	Alison Churchill, General Manager	alisonchurchill@jamestownfurniturehardware.com	www.jamestownfurniturehardware.com	Matthew Churchill, Operations Mgr.	mc@jamestownfurniturehardware.com	Supplier of decorative hardware	Design, contract & finish hardware to customer specifications		9,000 sq. ft. warehouse	Forging, stamping, casting, design, finishing	Forklift, hand truck		Brass, zinc, aluminum, tumbail, steel
22	Johnson Machine & Fibre Products Co., Inc.	142 Hopkins Ave.	Jamestown	NY	14701	(716) 665-2003		Michael Marshall, President	m.marshall@johnsonmachine.net	www.johnsonmachine.net	Mike Caruso, Sales	m.caruso@johnsonmachine.net	Contract manufacturing for a large diversity of industries	Manufacture parts to customer prints and specification	Bar stock from 1/8 diameter x 12 ft long up to 2 1/2 diameter, chucking up to 6 inches	12,500 sq. ft.	21 CNC machines including a CNC Swiss and 2 sub spindle machines	Forklift	ISO 9001:2000, Lean Manufacturing	Bronze, copper, aluminum, steel, stainless steel, plastic
23	Lakeside Precision, Inc.	208 Dove St.	Dunkirk	NY	14048	(716) 366-5030		James Anson, Owner			Hugh Graves, Dir. Of Operations	hgraves@lakesideprecision.com	Job shop/short-long run jobs, welding, CNC milling & turning, fabricating assembly	Manufacture and/or machine parts to customer specifications	1/16" up to 18" dia., 80" long turning, 20 x 40 x 24 milling	25,000 sq. ft.	10 CNC lathes, 7 CNC mills and several support machines	Electric truck, fork lift, jib crane		non ferrous metal & alloy, plastics, hot & cold roll steel, SS
24	Master Grind/EDM							Tore Arvidson, Co-owner: Randy Johnson, Co-owner: David Thor, Co-owner	sales@mastergrindedm.com	www.mastergrindedm.com	David Thor, Tore Arvidson, Randy Johnson,	sales@mastergrindedm.com	Custom precision tooling & plastic injection mold components manufacturer	Starting from bar stock manufacture close tolerance harden and ground tooling components	Turning, EDM, ID, OD, cylindrical form, profile & centerless grinding	30,000 sq. ft.	6 CNC Lathes, 2 CNC Vertical Mills, 2 Ram EDM, 2 Wire EDM, 1 Swiss Turn, 1 CNC Form Grinder, 10 Centerless Grinders, extensive inspection equipment and a host of tool & die manual machines	Forklift	ISO compliant	All varieties of high grade tool steel, brass, aluminum
25	Master Machine, Inc.	155 Blackstone Ave.	Jamestown	NY	14701	(716) 487-2555		Steven R. Carolus, Pres./Owner	steve@mastermachine-inc.com	www.mastermachine-inc.com	Steven Carolus	steve@mastermachine-inc.com	Production machine shop and metal fabrication	CNC turning, milling & grinding, welding, fabrication and machine repair		15,000 sq. ft.		Fork lifts, pallet trucks, box truck, trucks, cranes	ISO compliant	ferrous and non ferrous metals, plastic
26	Matco Tools	160 Chautauqua Ave.	Lakewood	NY	14750	(716) 763-8525		Tony Rhen, Plant Manager		www.matcotools.com			Manufacturer of high end tool boxes for professional mechanics	Start with coil & sheet steel, cut, bend, weld, paint and assemble tool boxes		52,000 sq. ft. mfg, 50,000 sq. ft. warehouse	6 Turret presses, 12 press brakes, 4 shears, spot weld guns, powder paint system	Electric & propane forklifts, overhead crane in steel bay		Cold roll steel, coil and sheet
27	National Wire & Metal Technologies, Inc.	200 Harrison Street	Jamestown	NY	14701	(716) 661-9180		Bump Hedman, President	national@netsync.net	www.homemaid.us	Bump Hedman	national@netsync.net	Metal stamping, wire forming welding and tool & die capabilities	Engineer-machine raw material, contract, finish, package, ship to customer	Metal stampings up to 100 ton with 48" bed capacity	50,000 sq. ft. Mfg., 30,000 sq. ft. storage	Various presses, riveters, fourside tig welders and Schusters	Electric trucks and forklifts		Cold roll steel, hot roll steel, galvanized steel
28	Newbrook Machine Corporation	16 Mechanic St., P.O. Box 231	Silver Creek	NY	14136	(716) 934-2644	(716) 934-0453	Christopher J. Lanski, President	chris.lanski@excelco.net	www.excelco.net	Paul Rozewicz, Estimator	paul.rozewicz@excelco.net	Manufacturing	Build to print	Welding, machining, non-destructive testing	20,000 sq. ft.		up to 30 ton crane	ISO 9001, 2000 Standard	Titanium, stainless steel, carbon, inconel
29	Phoenix Metal Fabricating, Inc.	245 Harrison Street	Jamestown	NY	14701	(716) 483-2122	(716) 483-0922	Gary Johnson, President	gjohnson@phoenixmetal.com	www.phoenixmetal.com	David Eliason, Vice President	deliason@phoenixmetal.com	Metal fabricating, stamping, finishing	Engineer, shear, punch, stamp, weld, powder coat, ship	Coil stock up to 4,000#/coil weight, sheet steel up to 48" x 120", 1/4" thick	61,000 sq. ft.	4 turret presses, 20 stamping presses max 200 ton, spot welders, welders, powder coat finishing system	Fork trucks, hand pallet movers, overhead cranes 6,000# cap	ISO9001: 2008, NYS sharps	Steel, stainless steel, aluminum, copper, powder coatings
30	Power Drives, Inc.	2148 Allen Street	Falconer	NY	14733	(716) 483-6821		Louis Panzica, President	l.panzica@powerdrives.com	www.powerdrives.com	Kristin McCarthy, Marketing	k.mccarthy@powerdrives.com	Manufacturer hose and tube fluid conveyance assemblies for automotive, military, locomotive industries	Prototype products to customer specifications and produce products for mass production	1/4" to 3" hose assemblies and 1/4" to 2-1/2" bent tube assemblies	16,000 sq. ft.	8 assembly cells, 6 CNC benders, robotic and hand welding, induction and flame braze, leak testing	Fork lifts, pallet jacks, portable KANBAN toles and carts	TS16949	J524, J525, SS304, 316L
